# Why Sponsor This Meeting?

SCOPE is the only internationally-recognised certification in obesity management. It equips health professionals with up to date, evidence based obesity management resources, to better treat their patients with obesity and to excel in their careers. SCOPE offers 30+ free e-learning modules on specific issues around obesity, plus a Core Learning Path containing the essential information on obesity management.

Scope School is the live training event and the key component in SCOPE certification. Each School will earn you 4 of the 12 SCOPE points required for certification.

- / The SCOPE Schools are the obesity education programme for healthcare professionals across the globe.
- / We deliver learning events to bring together the latest thinking, best practice and research on the prevention, treatment and management of obesity.
- / Our schools deliver educational content which help towards your SCOPE Certification, which is an internationally recognised standard of obesity prevention and management expertise.

## Target Audience

Approx. 150 healthcare professionals working in clinical practice including: dietitians, nutritionists, diabetes nurses, physiotherapists, physical activity specialists, general practitioners, obesity medicine specialists, endocrinologists, diabetologists and internal medicine physicians.
